God moved in His power to touch Colombians

Community of Faith Church in Bogota

Many gave their lives to Christ in Bogota

Power of God touched many Colombians

Community of Faith Church in Soacha

Dr. Lee trained young leaders in Colombia and 40 others via zoom from five different countries with the GHN Missions Mobilizer courses.

With friends and family in Colombia

Dr. Lee led Margarita's family members (Carlos & Carmen) to Christ and prayed for Carlos' healing from cancer.

With Pastors Luis & Paola in Soacha. Pastor Luis shared with us about his glorious experience of meeting Jesus in heaven after clinically dead for several hours. He begged Jesus Christ not to send him back.

We had a wonderful fellowship with Alberto & Fiorella, our faithful disciples. Fiorella is a famous and rising model in Colombia

We took a picture with young leaders at Community of Faith Church in Bogota after the last session of the GHN training, "Koinonia with the Holy Spirit."

Ministered at Christian Embassy International Church

It was Dr. Lee's great honor and privilege to minister at his own church (Christian Embassy International Church) on two Sunday morning services (July 7th). He shared a revival message on "How to restore God's glory in our lives by following the four principles—Repent, Return, Restoration, and Revival. During the altar call, many people came forward and rededicated their lives to Christ.

It was our great joy and honor for Dr. Lee and Margarita to minister at Community of Faith Churches in Bogota and Soacha, Colombia from July 12 to 27th. **During this trip, they also equipped young leaders (including 40 plus international leaders from five different countries checked in via zoom each time) with the rest of three other GHN Missions Mobilization courses in three different mornings from 10:00 a.m. till 1:00 p.m.** During the impartation prayer for the participants on the last GHN seminar on July 25th, the power of the Holy Spirit came upon them and imparted unto them His new anointing to evangelize the Unreached People Groups (UPGs) in the world. May the Lord bring His mighty revival to Colombian churches and empower them to become missionary sending churches for His glory.

Please pray for Dr. Lee's upcoming missions trips:

- To Singapore, Cambodia, and Korea in September with his disciple, Daniel in September. He will equip hundreds of young Cambodian leaders with GHN Missions Mobilization courses; minister at churches in Singapore and Korea.
- Margarita will accompany him to Ukraine and Spain in October. Dr. Lee will minister at an Ukraine Missions Conference in Ternopil and to provide relief goods and aids to Ukrainian refugees and orphans (**\$10,000 will be needed for the two trips**).

Your generous and sacrificial sowing into RLM will continuously empower us to equip young leaders in the world with Dr. Lee's Global Harvest Network (GHN) courses so that they can evangelize their own UPGs. **We pray that God will shower you with His divine blessings, life, provisions, and favor as you generously sow into RLM.**
