God moved mightily at Church of the Savior in Lexington, KY

The Holy Spirit moved in His power to save, heal, and deliver many people at the church during the revival meeting on Friday night (May 17th)

Conducted a GHN Seminar on "Kingdom Authority and Power" on Sat. morning. Impartation prayer for the participants.

It was my great joy to minister at my friend, Pastor Steve Pearson's Church (Church of the Savior) in Lexington, KY from May 17 to 21. I ministered at the church 9 years ago. During the last revival meeting at the church, God moved in His power and opened a blind young man's eyes and healed an 18 years old Alona's born-deaf ears. When I went back to the church this time, the church has grown from 500 members in 9 years ago to over 1,000 members. I conducted a revival meeting on Friday night (May 17th) and the Spirit of the Lord came down during the altar call and many were saved and rededicated their lives to Christ. Many others were healed and delivered from the bondages of darkness as the Holy Spirit moved upon them. On Saturday morning for three hours, I conducted "How to move in God's Kingdom Authority and Power" seminar and prayed for the impartation of the anointing of the Holy Spirit to fall upon them. On Pentecost Sunday, I preached two services with the message "Move by the Wind of the Holy Spirit." During the altar calls, many surrendered their lives to Christ and once again, the Holy Spirit healed and delivered many people until 1:45 p. m. Praise the Lord!

Dr. Lee's Ministries in Hampton Roads, VA in May

It is always my honor and joy to minister at my church (Christian Embassy International) in Chesapeake, VA. on May 1st. Many young and old people were touched and healed by the power of God. Pastor Lambert and his daughter, Morgan (R) had a birthday party that same night.

Pastor Evenson of WOWC in Newport News hosted the third Korean prayer team who came from a 25,000 member church in Uijongbu, Korea. They sent over 20 teams to 20 different cities in the U. S. to pray for America to repent and return to God so that His blessing and revival will fall upon this great nation. We prayed for America at the First Landing Site with the Korean prayer team and other pastors and Rabbi Eric from Zion's Sake Messianic congregation in Newport News. I had the privilege to pray for the Police Chief of Newport News at the Mayor's office.

Dr. Lee was praying and closing the National Day of Prayer Gathering at Warwick Assembly of God Church on May 2nd.

*It has been a very busy and productive month for the Lord. I also began to teach at the Christian Embassy International Church Bible School on Tuesday and Thursday nights. Currently, I am teaching "The Gospel of John." I also have to brag about my granddaughter, Cassia who is 17 years old and has created a Bible Club at her public high-school for a year. She was able to lead over 100 of them to the Lord Jesus Christ and many of them began to attend Cassia's church (Wave Church) in Virginia Beach. Praise the Lord! **Please pray for my next mission trips to Bulgaria to minister at churches in Plovdiv and Pleven. I established Mission Training Centers in Plovdiv and Pleven, Bulgaria in 1992 and they have multiplied to 35 different cities and the graduates planted over 135 churches throughout Bulgaria.** I will be teaching some of the GHN seminar courses and to meet with some of my disciples. In July, Margarita and I will go back to Bogota, Colombia to conduct four other GHN seminar courses to equip young leaders at Community of Faith church in Bogota. If the Lord wills, I will minister in Cambodia in September and in Ukraine in October. **Your prayers and generous support of RLM will be greatly appreciated. May the Lord richly bless you as you sow into RLM for His glory! Thank you very much!***
