### Evangelistic and Healing Ministries in Costa Rica

With Pastor Yamil, Andrea (his wife) and Pastor Alex and Keina. Pastor Yamil is an Apostle of Victory Center Churches in Central and South America

A brother who has been living with a lady for 11 years was saved and decided to marry soon.

A lady (left) was healed of her back pain and a lady (right) was totally healed of her chronic pain in her stomach during the meeting.

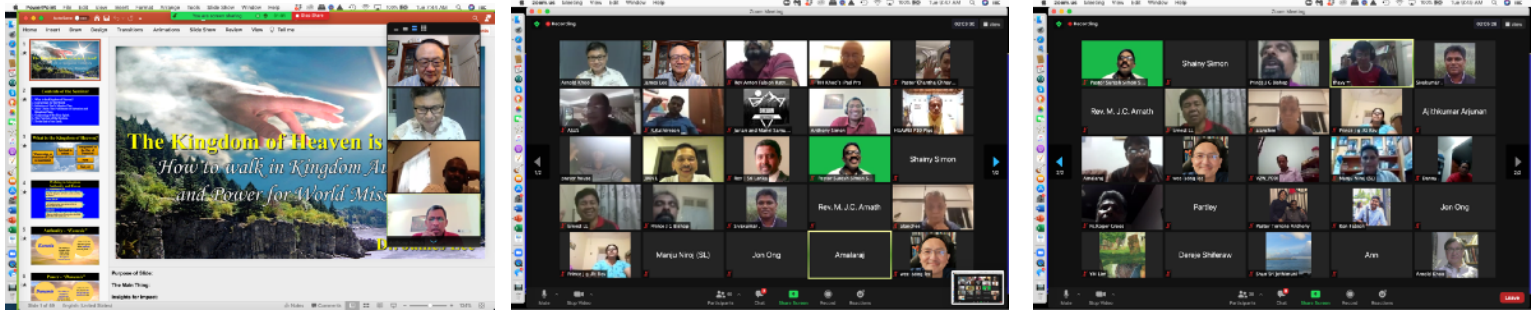

Keren, Pastor Alex's daughter was totally healed of her lower back pain.

The GHN Conference will be held at Pastor Yamil's church in January 2022

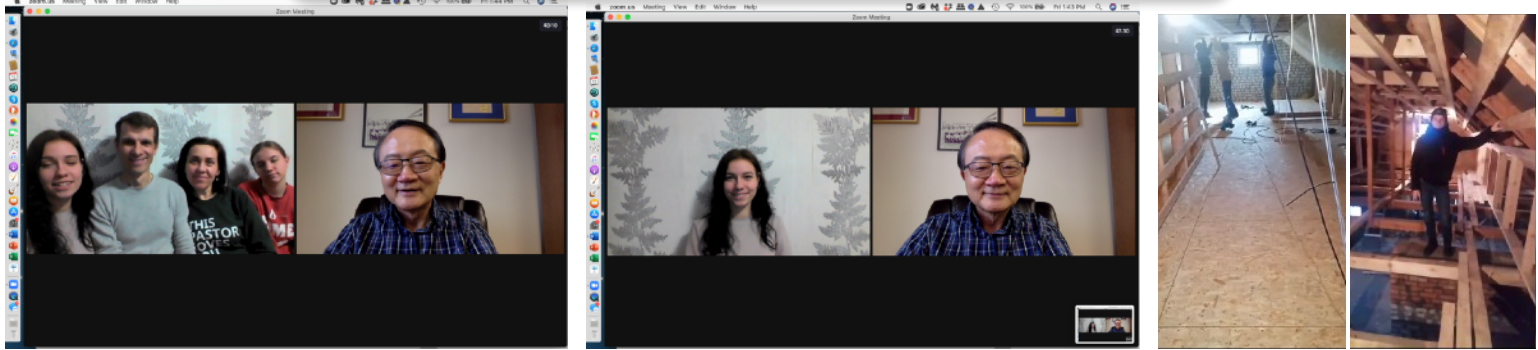

It was our great joy to minister at Pastor Alex's church during this Pandemic season from March 20 to 29. We have been working closely with Pastor Alex and his associated churches throughout Costa Rica for the past 18 years. We planted several River Mission Training Centers (RMTC) in five different regions in Costa Rica and they are still training leaders with RMTC courses. We will conduct the GHN conference at Pastor Yamil's church (3,000 member church) in January 2022 to train local pastors to send Costa Rican missions mobilizers to the Unreached People Groups in the future. Due to the COVID rules, around 50 to 80 people each could attend the three services at Pastor Alex's Victory Center in Perez Zeledon. We had 12 salvations and quite a few healings during the two Sunday services and Thursday night miracle healing service.

## Equipping 50 plus Pastors from 6 different countries via Zoom

It was my great privilege to equip 50 plus Asian and African pastors from Sri Lanka, Singapore, Cambodia, Ethiopia, Malaysia, and Asians living in Sweden through International Christian Missions (ICM) in Singapore via Zoom Conference Video Call from March 16 to 19. The participating pastors expressed that they were really encouraged by the three GHN seminar courses that I taught, so they asked me to finish five other courses in the future. The ICM has been equipping over 100,000 Asian and African pastors and leaders for the past 45 years. The ICM founder, Dr. Hin Hang Khoo and the President of ICM, Dr. Andrew Khoo would like to make an arrangement for me to equip more pastors with the rest of the GHN courses in the near future. Many of the pastors who participated in the zoom meetings have been reaching out to Unreached People Groups in the 10/40 Window Countries.

## Ministries with Pastor Avilov in Kremenchuk, Ukraine

**Maria Avilova, the oldest daughter of Pastor Avilov, ministering to poor children near Kremenchuk.**

RLM and DHF have been supporting the ministries of Pastor Avilov since August 2020. I have been equipping them with the GHN seminar courses and creating “World Missions Equipping Courses” with Anna Avilova in English and Russian to train Russian speaking young people in Ukraine and other former Soviet bloc countries. Also, through the generous supporters of RLM and DHF, we are able to support the building project of the Children’s Home in Kremenchuk, Ukraine. As the Lord wills, we will continuously support them to finish the project by the end of May. Three pictures above show the progress of the building project for the past six months.

By the grace of God, Margarita and I were able to minister at the Victory Center where Pastor Alex Martinez has been pastoring over 20 years. It has been a challenge for us to travel overseas during this pandemic season. For the past 18 years, Pastor Alex and I have been ministering at five different regions of Costa Rica to equip and mobilize young people to evangelize their own country as well as to send missionaries out to Unreached People Groups in Central and South American countries and beyond for His glory. Under the leadership of Pastor Avilov, the Children’s Home project has been slowly progressing step by step to finish the interior of the building by the end of May. RLM and DHF have been the main supporters of the project. It was great to be connected with ICM Bible School of Singapore to equip many pastors and leaders from Asia and Ethiopia this month. We were able to reach more leaders from six different countries via Zoom Conference Video Call during this COVID pandemic season. *As you sow into RLM and DHF each month, you are empowering us to bless the nations for His glory. We have lost over 30% of supporters in 2020. As the Lord leads, your generous donations will be greatly appreciated. May the Lord richly bless you, your family, business, and church with His divine provisions and health!*
